

What You Need to Know:

Teddy Bear University Classes at Fort Sanders Regional Medical Center during the COVID-19 Pandemic

All Teddy Bear University participants are required to wear a mask while inside Fort Sanders Regional, keep at least 6 feet between participants, and wash hands frequently.

Class participants should park in the Laurel Garage on Laurel Avenue, and access the Emergency Department from the 2nd floor of the garage. On entering the Emergency Department, our screeners will check temperatures and perform a symptom check for each participant.

Weekday Classes:

From the Emergency Department, take the main hallway to the left to the hospital to the first set of elevators and travel to the Lobby Level, where the classrooms are located. Staff will help direct you if needed.

Saturday Classes:

From the Emergency Department, take the main hallway to the hospital to the second set of elevators, the Blue Elevators. Travel to the Lobby Level, where the classrooms are located. Staff will help direct you if needed.

Sunday Classes:

Please park in the Thompson Garage off Clinch Avenue and enter the main hospital entrance. The classrooms are located just past the Gift Shop.

Reminder:

All hospital tours are temporarily on hold due to visitor restrictions.

Please call (865) 673-FORT (3678) with any questions.
