WHAT IS JUNETEENTH?

Juneteenth is a special day in the United States when we remember and celebrate the freedom of African Americans who were once enslaved. On June 19, 1865, General Gordon Granger arrived in Texas to make the announcement that would change the course of history.

Juneteenth is now celebrated in many parts of the United States, honoring African-American culture. In 2021, the U.S. Congress made it an official federal holiday after the decades-long efforts of Lula Briggs Galloway, Opal Lee, and others.
