## **CMC Maternity Update as of March 13, 2025**

### **Dr. Andrew Szaflarski is Returning Soon**

Board-Certified OB/GYN Andrew Szaflarski, MD will return to Cumberland Medical Center to deliver newborns beginning May 1, 2025. Having previously served at the hospital for several years, Dr. Szaflarski is a valued member of the medical team. The Labor and Delivery team looks forward to welcoming him back and continuing to provide exceptional care for newborns close to home.

### **Maternity Education is Available**

We are committed to providing maternity education, breastfeeding support, and postpartum care resources for all families. Please call 931-484-9511 to register for these classes free of charge.

### **Thank You**

We look forward to sharing future updates on the development of our maternity resources as more information becomes available.
