Morristown-Hamblen Hospital Foundation presents the Target for Healthcare Trap Shoot, an exciting event benefiting Morristown-Hamblen Healthcare System. Proceeds from this event allow the foundation to support continuing professional education, program development, and medical equipment needs at the hospital.

As the only hospital in the Lakeway area, Morristown-Hamblen Healthcare System provides excellent healthcare to residents throughout the hospital's eight-county service area and offers comprehensive cancer care, heart, lung, and vascular care, women's services, general surgery, orthopedics, emergency treatment, and critical care.

For more than 120 years, the hospital has embodied a culture of patient-centered care. This remains true today, as each employee commits to upholding our Pledge of Excellence to put patients first, strive for excellence, and make Covenant Health the first and best choice for healthcare needs in our community.

We thank you, our corporate sponsors and participants, for your generosity and support.

# Target for Healthcare Trap Shoot

Join us for our Target for Healthcare Trap Shoot at Hog Heaven Gun Club. You'll find great targets, tasty food and support a worthy cause: proceeds benefit the Morristown-Hamblen Healthcare System.

Trapshooting is a form of clay target shooting with lots of action, movement, and split-second timing. It requires accuracy and skill to repeatedly aim, fire, and hit the 4-1/4 inch clay disc, which is hurled through the air at a speed of 42mph to simulate the flight path of a bird fleeing a hunter.
