

# BE FAST

## KNOW THE SIGNS OF STROKE

Stroke is a medical emergency.

If you or your loved one has any of the following symptoms, immediately ask our medical staff for help. Knowing the signs of stroke can save a life.

### BALANCE

Sudden loss of balance.

### EYES

Sudden loss of vision in one or both eyes.

### FACE

Does face look uneven?

### ARMS

Does one arm drift down and can't be raised?

### SPEECH

Does speech sound strange?

### TIME

Time is brain. Every second, brain cells die during a stroke. *Get help immediately!*
