Dr. Thomas Foundation, will help provide:

- Free mammograms and breast cancer education through the foundation's Paint the Mountains Pink fund
- State-of-the-art 3D digital mammography equipment with tomosynthesis and stereotactic core biopsy capability
- Educational materials to help new parents learn the best ways to care for their newborn after they leave the hospital
- Specialized cradle to give grieving parents who experience infant loss more time with their baby

Named in honor of a beloved Sevier County physician and minister, the Dr. Robert F. Thomas Foundation, part of the Covenant Health's Office of Philanthropy, is a not-for-profit charitable organization established in 1983 to help expand the range and quality of health care services available in Sevier County. Dolly Parton, one of the many babies

Dr. Thomas delivered, serves as honorary chairperson of the Foundation. The Foundation solicits contributions from individuals, businesses and charitable foundations to support Covenant Health's LeConte Medical Center and improve the health of those who live and work in Sevier County.

LeConte Medical Center is a full-service, not-for-profit hospital delivering modern medical treatments and compassionate care to the growing Sevier County community. LeConte offers a full range of health services, including top-tier specialists, a modern ER and a beautiful Women's Center.
